

Wild Uganda No Refund Policy

At Wild Uganda, we prioritize securing your safari experience by booking essential permits and accommodations in advance. Due to the nature of these bookings, we have a strict no-refund policy.

No Refunds

All payments made for our safari packages are non-refundable. This policy is in place because we must purchase permits (such as gorilla and chimpanzee trekking permits) and make reservations that are non-transferable and non-refundable to us.

Rescheduling Policy

We understand that plans may change. If you notify us at least **60 days prior to your scheduled trip**, we can attempt to reschedule your booking by moving the permits and adjusting accommodations to a future date, subject to availability.

For any inquiries, please contact us at **wildugandasafari@gmail.com**.

Thank you for choosing Wild Uganda for your adventure!
